INDEPENDENT LIVING FOR YOUNG ADULTS

Join us for an evening under the stars at the beautiful home of Joe Morales and Scott Stewart. Perched in the hills of Zilker with a spectacular view of downtown, you'll enjoy cocktails from (Entre Maguey Mezcal), delicious bites from (Eat+Drink) and the docile tones of Kara Bliss and her jazz trio. Stacy Johnson will be taking the stage and giving an update on the progress of the tiny home village. Peruse the wonderful Silent Auction items and buy tickets to our Wine Pull and Raffle at this special evening dedicated to lively conversation and community building for this incredible organization.

Attached is our list of sponsorship opportunities and a ticket purchase form. We look forward to seeing you!

# About Us

Grace365 has officially been in operation since the start of 2021. In that time, we have increased our program to provide services to ten young adults, 7 females and 3 males.

Working with our collaborators and supporters, we have helped 4 teens acquire drivers licenses, two have received donated vehicles, two are pursuing college education, four are finishing high school this spring, one balancing the pursuit of a GED with part-time employment, and five are maintaining full-time employment. All our young adults are learning money management, home upkeep, and soft skills like emotional and social wellness.

In December 2021, CTTG purchased a 2.1-acre property with a 3,100 square-foot home that now serves as the administrative offices and headquarters of Grace365. We utilize this space as a community center and gather with our young adults for workshops, social events, and celebrations. We continue to work with our community partners to develop a plan for building a micro-community to provide housing for future young adults in our program.

# The Event

Learn how Founder & CEO Stacy Johnson, a former foster child, turned an audacious dream into a loving and safe space for kids in the foster care system-and support the valuable work happening every day at Grace.

Your tax-deductible sponsorship will benefit displaced youth in Central Texas who depend on CTTG to provide a loving, nurturing, home-like environment and life lessons that prepare them for success.

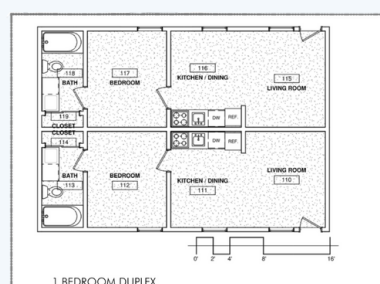

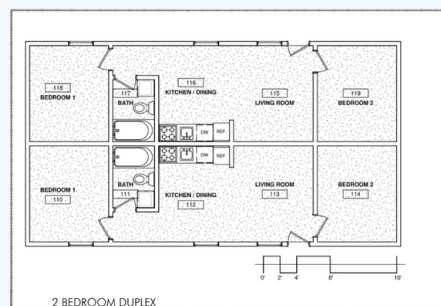

We hope you can join us to hear Stacy's story, learn about the difference CTTG is making, and be part of the launch of CTTG's next phase.

You'll enjoy cocktails, catering from Eat + Drink Austin, and live music, plus a raffle, silent auction and more.

# The Village

We hit a major milestone in December 2021 with the purchase of a 2.1 acres property in Round Rock. This includes a 3,100 square-foot home that now serves as the offices and headquarters of Grace365. We use this space as a community center and gather with our young adults for workshops, social events, and celebrations. Grace365 is actively working on the next phase around our long-term goal of a micro-community. We continue to work with our partners to develop a plan for a micro-community to provide housing for future young adults in our program. We are working closely with an architect as we speak and envision starting with 10 new homes to start. Ultimately we want to serve 20-25 foster young adults. As we work on this vision, we continue to help young adults aging out of foster care have productive, healthy, and happy lives.
